

MOSTYN

We are a
community

Activity 01:

Drawing thinking about community

Needed for the activity: pencils, at least one other person to participate

- Cut out the cards from the print if you're home
- Take out one card, draw on the back
- When you and the other participant(s) are done, show your questions and responses to each other
- How do you relate to each drawing and how would you have answered differently?
- A board is available at MOSTYN to share your drawings
- Post the picture of the drawing in your feed with **#MOSTYNcommunity** and tag for a repost **@mostyngallery**

Activity 01:

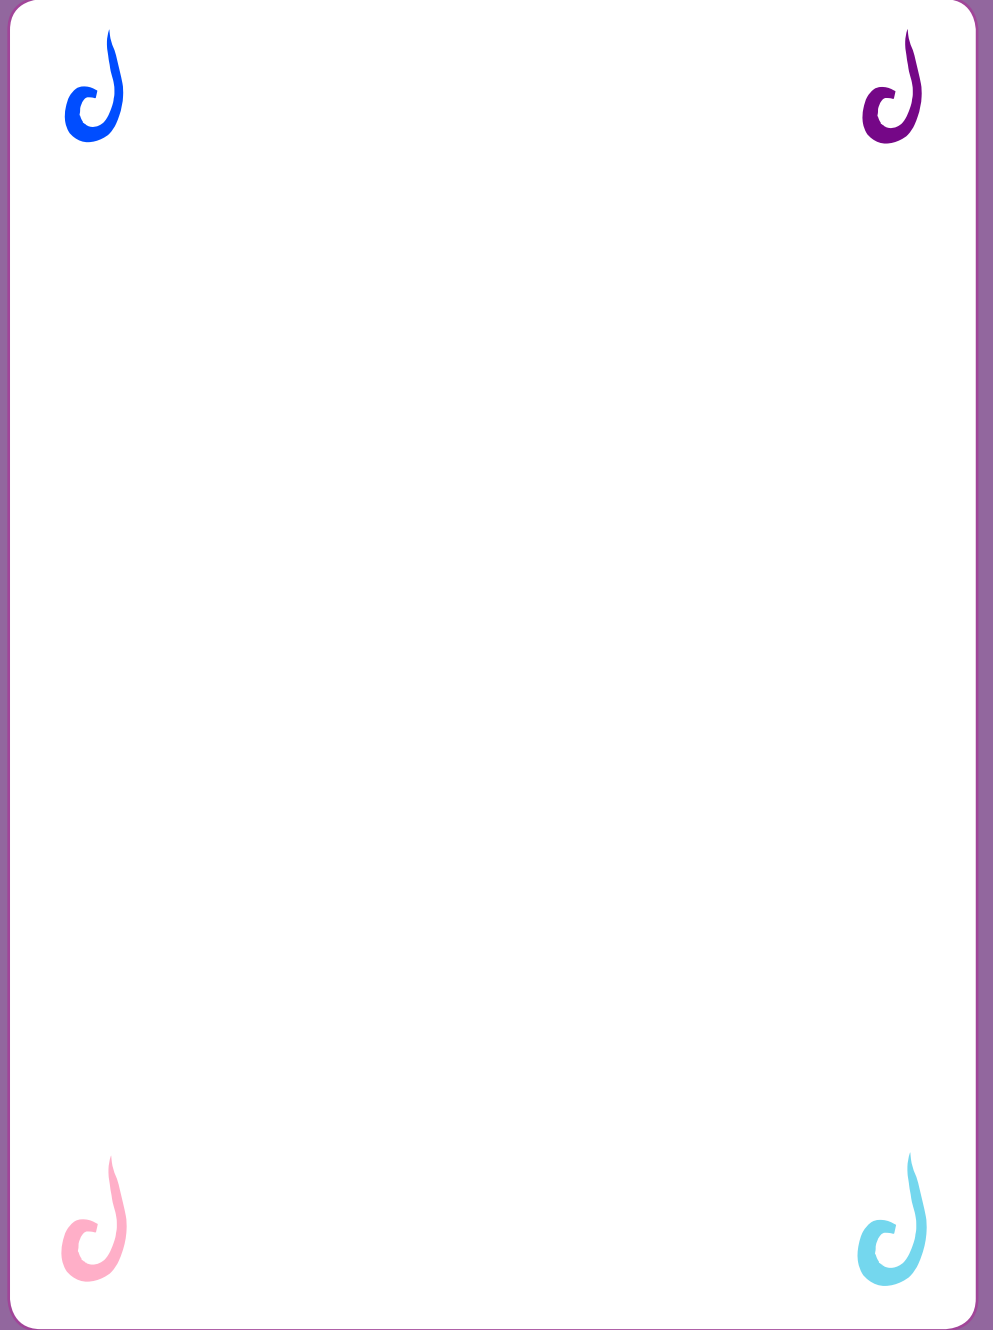

Draw
what a
community
means to
you

Draw
a space
where
you feel
part of a
community

Draw
your
community

Draw
your
parents'
community

Activity 02:

Let's create a community

Needed for the activity: a smartphone with Instagram installed and an internet connection

- Scan the QR code, it will give you access to an Instagram filter
- Use it to mark public/urban spaces that you recognize as meaningful for your community: where communities have formed and been shaped?
- Save it and use it to mark public/urban spaces that you recognize as meaningful for your community: where communities have formed and been shaped?
- Write a message/poem to and for your community in the frame.
- Post the picture in your feed with **#MOSTYNcommunity** and tag for a repost **@mostyngallery**
